FOR IMMEDIATE RELEASE

Zavala students PICK Education, move to next step of SharkFinder

Three weeks ago 5th graders at Zavala Elementary School got their first chance to experience SharkFinder – the project that allows them to sift through 19-million year old matrix for shark’s teeth and other fossils. Tomorrow morning beginning at 8:30 those same students will move on to step two of the process, the discovery portion where they concentrate on finding fossils and documenting those finds!

The work will be done in different classrooms at different times. Here is the schedule:

- 8:30-9:30 a.m.
- 10:00-11:00 a.m.
- 12:00-1:00 p.m.
- 1:00-2:00 p.m.

SharkFinder, which is one of ECISD’s PICK Education projects, is available at Zavala Elementary this year because of a generous Fuel Your School grant from Chevron and Kent Kwik.
